**Notification Process**

➤ **Applicant's Responsibility**

- ◆ **Notification must be accomplished 15-30 days prior to the hearing date and should include the following:**
  - ◆ Your township office will assist you in researching the names and addresses of the property owners within 250 ft. from all edges of your property. The easiest method of notification is to photocopy the public notice (a copy is forwarded to you via email and/or mail).
  - ◆ Written notification to **all property owners or tax bill recipients within 250 feet (excluding right-of-ways)** is to be accomplished by mailing a copy of the public notice by certified mail, return receipt to the owner or tax bill recipient, according to the township's records.

  - ◆ the certified mail receipts (green cards).

***\* Failure to comply with the above items may result in removal from the agenda.***

➤ **City's Responsibility**

- ◆ The **City** will publish a public notice in the newspaper. A copy of the notice will be forwarded to you for your use in notifying surrounding property owners.

**Public Hearing**

The City's Planning and Zoning Commission generally holds its meeting on the first Tuesday of each month at 7:30 pm in the City Hall Council Chambers.

Be prepared to present your case on the night of the hearing. You should give a brief oral overview of your proposal to the Planning and Zoning Commission. Be prepared to answer questions, especially regarding any neighbor or City staff concerns.

**Decision**

At the meeting the Planning and Zoning Commission will vote on your request. The Planning and Zoning Commission's decision will be forwarded to the City Council for their review and final decision.

**City Council Meetings**

After the Planning and Zoning Commission holds their public hearing on the request and after receipt of the hearing minutes from the recording secretary, the Public Works/Community Development Director will place the item on the City Council agenda. The ordinance will normally appear for a first reading (Consent Agenda) and then return for a second reading and vote.

Generally, the first reading will take place on the fourth Tuesday of the month. The second reading is then on the second Tuesday of the following month. Meetings are at 7:30 p.m. in the City Council chambers located on the second floor of the Municipal Building.

Please remember, should you receive a favorable decision on your proposal, it applies to the zoning issue only. The construction of the project is still governed by the building code and applicable permits and inspections should be obtained.

**If you have any questions about the application or the public hearing process, please call our office at 847-506-6030.**

***City of Rolling Meadows  
Memorandum***

To: Applicants to Appear Before the Planning and Zoning Commission

From: Fred Vogt and Elizabeth Payne, Public Works/Community Development Staff

Subject: Quality of Information to be Submitted

A concern of the Planning and Zoning Commission is the quality of information presented to them for review. You, as an applicant to appear before the Planning and Zoning Commission, can greatly reduce the possibility of your matter being "tabled" to the next meeting by making sure your information is complete, accurate and professionally done.

Plans, drawings, plats and sketches should have sufficient detail and dimensions. The size of the property will generally dictate the size and scale used, but generally a 24" x 36" plan is ideal. However, if plans can be reduced to 11" x 17", without loss of clarity and detail, this size would be preferred by the Commission and the City Council.

Narratives and correspondence should be typed, well organized with subject matter highlighted before each paragraph.

Each of the required twenty (20) sets should be neatly assembled. Refer to the guidelines or applicable ordinance to determine what must be included in your presentation.

Although the Planning and Zoning Commission will have your information, you should have the same information available at the meeting for your reference. The plans and sketches should be mounted on some type of film board for display on an easel.

When your matter comes up on the Agenda, the Chairman will ask you to make a presentation regarding your request. Be prepared to present your request in a thorough but concise manner. The scope of the request will dictate the volume of testimony needed and the number of experts and/or individuals that need to address the matter. The Planning and Zoning Commission will give you ample time to present your proposal, but redundant and unrelated information may serve to "irritate" the members.

Remember, you are trying to sell your proposal. The quality of presentation, both written and oral may directly affect the outcome of your request.

**CITY OF ROLLING MEADOWS

Further, by signing below, each warrants that he/she/they possesses full authority to so sign. The owner and petitioner agree that owner and petitioner shall be jointly and severally liable for payment of fees referred to in Section 78-67 of the City of Rolling Meadows Municipal Code.
