A MESSAGE FROM THE ROLLING MEADOWS POLICE DEPARTMENT

Dear Rolling Meadows Stakeholder,

On behalf of the men and women of the Rolling Meadows Police Department, I am pleased to present you with our Annual Report for 2018. We have designed this report to be a resource for municipal officials, law enforcement professionals, students, libraries, journalists and of course, the people who live and work in this great city. This annual report summarizes programs and accomplishments for 2018. You will see from this report that the Rolling Meadows Police Department continues to provide exceptional policing services and is truly committed to improving the quality of life for all city residents, businesses and visitors.

The complexity of policing changes on a day to day basis. Building upon our past successes within community policing, the Rolling Meadows Police Department is committed to a geographic-policing philosophy that addresses crime and the fear of crime through a shared relationship between citizens and officers in their specific neighborhoods. This is proactively achieved using proven problem-solving methods and partnerships to elevate the quality of life in our neighborhoods.

We invite you to become involved with your department in order to continue forging a strong cooperative partnership that is built upon mutual trust and respect. No police department can solve crime or quality of life issues alone. Effective community/police relationships, communication, and engagement are critical components to our success.

Please take the time to learn more about the Rolling Meadows Police Department's units and services. Take advantage of the many opportunities to communicate with us and learn how we can work together. We look forward to working with you. There are many opportunities for you to partner with us to make Rolling Meadows better!

John Nowacki

OPERATIONS

The Operations Division consists of the Patrol Unit which has 30 Patrol Officers and is supervised by 7 Sergeants and managed by 1 Commander. The unit provides 24-hour police service 365 days of the year. The Patrol Officers are assigned to community policing areas, which include residential and business communities, as well as our local schools. The Patrol Unit Officers take on the role of problem-solvers in addition to their traditional law enforcement duties. Every Patrol Officer is assigned an area of responsibility and communicate regularly with community representatives. Officers have received specialized training to assist them in effectively resolving issues together with residents and community leaders. Sergeants supervise and mentor officers during day-to-day deployment, calls for service response and case preparation. Several Officers belong to task force organizations such as NIPAS (Northern Illinois Police Alarm System) serving in the Emergency Services Team (EST) and Mobile Field Force (Civil Disorder) Units. Department members assigned to the Major Case Assistance Team (MCAT) provide investigative and forensic assistance to all agency members within the multi-jurisdictional organization.

OPERATIONS

During this past year, the police department added a K9 officer to our ranks. Our new four-legged officer (Scar) is a German Shepherd/Belgian Malinois mix (More information regarding Scar and his handler will be spotlighted later in this report).

The Operations Division handled a variety of duties and responsibilities including:

- ◆ Domestic violence, domestic disturbance, and family problems calls
- ◆ Fingerprinting business, residents, and children for identification
- ◆ Home, business, and school security surveys
- ◆ Juvenile problems
- ◆ Lockouts (auto and home)
- ◆ Lost and found (persons and property)
- ◆ Mail deliveries (City)
- ◆ Report safety problems, e.g., malfunctions of street/traffic lights, water main breaks, downed tree branches, and icy streets
- ◆ Traffic activity:
 - ◆ Accident reporting and investigation
 - ◆ Aggressive enforcement of moving violations
 - ◆ “Street of the Week” traffic enforcement program
 - ◆ Analysis of accident data for engineering recommendations
 - ◆ Deter speeding through a Speed Monitoring Trailer
 - ◆ DUI and Zero Tolerance enforcement
 - ◆ Overweight truck enforcement
 - ◆ Parking enforcement (city streets/business contracts)
 - ◆ Preventive/Deterrent Patrol

PATROL UNIT

Often referred to as “the backbone of the Department,” the uniformed Patrol Unit provides 24-hour coverage of the City and responded to over 9,550 calls this year. These calls include the above services plus emergency responses to:

- ◇ all traffic crashes with injuries
- ◇ all Fire Department calls
- ◇ all industrial and commercial injury calls
- ◇ all crimes-in-progress calls

The Patrol Unit responds to all emergency related calls, such as traffic crashes, house and car fires, suspicious persons and vehicles, crimes in-progress calls, burglaries, robberies, assaults, industrial accidents, hazardous materials spills, domestic disturbances, business disputes, neighbor disputes, juvenile problems, crimes against property, etc. These officers also collaborate with all the schools within Rolling Meadows to provide emergency responses and practice drills.

Our Patrol Officers pride themselves in knowing the community they serve. They are true problem-solvers, always alert to identify developing issues and then devising appropriate responses to resolve them effectively. These officers work closely with Detectives, School Resource Officers, Community Services Officers (CSOs), other City departments, citizens, business owners, and organizations to find creative and successful solutions to a variety of problems. The Patrol Unit has adapted methods of delivering service based upon the needs of the community.

CIVILIAN CROSSING GUARDS: The unsung heroes of the Police Department are its crossing guards. These devoted men and women work part-time whenever the schools are open. They ensure that our community’s schoolchildren can cross safely at busy intersections near the schools.

TRAFFIC

TRAFFIC CONTROL & ENFORCEMENT: The Department facilitates the safe movement of motor vehicles and pedestrians through traffic control and enforcement, as well as education. Traffic enforcement promotes the safety of motorists and pedestrians.

TRAFFIC CRASH & CITATION ACTIVITY: The City's low accident record is attributed to the Department's efforts in promoting traffic safety through traffic law enforcement (which includes the use of technology such as red light cameras) and education. Another valuable result of traffic enforcement is its deterrent effect on criminal activity. Studies show that the high visibility of the police deters crime; the crime rate in Rolling Meadows is relatively low, which we attribute in part to the Department's high visibility in traffic enforcement.

TRAFFIC CRASHES

Total number of crashes	731
Property damage crashes	430
Personal injury crashes	165
Private property crashes	132
DUI related	4

In addition to the self-initiated traffic enforcement conducted by our Patrol Officers, the following traffic citations were issued as a direct result from concerns voiced by our residents.

CITATION ACTIVITY

Total number of tickets:	3,438
Parking Citations	1,460
Circuit Court Citations	1,978

ENFORCEMENT OF DRIVING UNDER THE INFLUENCE: The combination of alcohol/drugs and vehicle usage is extremely dangerous, which has created a public outcry for aggressive enforcement of alcohol related driving laws. This outcry is the result of the public's refusal to tolerate the senseless deaths caused by drunk drivers. In response to this mandate from the public, the Rolling Meadows Police Department has an aggressive approach to enforce impaired driving laws, including an educational program to prevent drunk driving. DUI enforcement is a challenging aspect of law enforcement. The legal aspects are complex and the arrests themselves frequently place officers in harm's way.

OVERWEIGHT TRUCK ENFORCEMENT: One overweight truck represents the damage of 80,000 vehicles to our roadways. In order to control this abuse, the Department instituted an overweight truck enforcement program. Along with the standard police equipment, Truck Enforcement Officers are supplied with portable scales for truck enforcement purposes. In addition, it carries special evidence collecting equipment used in the investigation of serious traffic crashes and major crimes.

SPEED MONITORING: To promote traffic safety, we use RADAR trailers designed to monitor vehicle speeds. The trailers display to motorists their vehicle speed and the posted speed limit, in order to increase driver awareness and reduce vehicle speeds. These trailers are set up in areas where Officers and residents have identified speed related problems. Each speed trailer is equipped with a computerized monitoring and recording system, so the Police Department often uses them to conduct traffic surveys to aid in determining a need for traffic control modifications.

K9 UNIT

2018 was the first full year of service for our K-9 Scar. Both he and his handler Officer Don had a very busy year indeed. They engaged in 149 K-9 related incidents/reports. There were 51 citations issued which included \$5,100 in fines. The unit had seizures in excess of \$5,700 and was responsible for nearly 900 grams of drugs seized. Scar and Officer Don participated in 280 hours of various training. They conducted over a dozen school searches. Additionally, they were called to assist outside police agencies on 23 separate occasions.

While enforcement activity is extremely important for the quality of life of our residents, much of what Scar and Officer Don do is directly related to community outreach. The City of Rolling Meadows keeps a busy community oriented schedule throughout the year. For those who attend, they are very likely to encounter Scar and Officer Don. The following is a list of some of the events Officer Don and Scar attended.

- April 19th, Citizens Police Academy
- April 27th, Community Center Children's Demo
- April 28th, Business Expo
- May 10th, East Park Family Day and BBQ
- May 18th, Cop on a Roof Top (Fundraiser for Special Olympics)
- June 10th, Illinois Torch Run (Fund raiser for Special Olympics)
- July 4th, City Parade
- July 26th, Rolling Meadows Park District Summer camp
- August 4th, Corn fest
- August 4th, Community Bike Ride
- August 7th, National Night Out Canine Demonstration
- August 31st, Rolling Meadows Car Show Demonstration
- September 4th, Canine Retirement – Arlington Heights Police Department
- October 6th, Hometown Hoedown
- October 13th, Rolling Meadows Fire Department Open House
- November 12th, Kindergarten Class Presentation
- December 1st, Annual Police Food Drive
- December 9th, Breakfast with Santa
- Dec 17th, shop with a cop

Once again, these are just some of the events in which our K-9 unit has participated. Therefore, you will likely experience and/or witness continual community outreach by Scar, Officer Don and the entire Rolling Meadows Police Department. What we have seen and accomplished this past year with Officer Don and Scar has far exceeded expectations.

50 YEARS

SPECIAL OLYMPICS

In 2018, members of the Rolling Meadows Police Department once again participated in the annual Special Olympics Torch Run and Polar Plunge to help raise funds and to build awareness.

EQUIPMENT AND FLEET

A Police Package vehicle is specifically designed and built to be used by law enforcement officers and it includes special components for the engine, transmission, wheels, brakes, tires, cooling system, electrical system, suspension,

seating, interior controls, and many other parts of the car. These modifications improve safety, durability, and

performance. The current design of our marked squad vehicles showcases a high visibility black and white primary design with red, black, and white reflective lettering. In addition to our highly visible squads, we also have several unmarked patrol vehicles as well. They are unmarked in that they are of solid color but they do sport reflective decals. These squads serve multi-purpose needs that are not directly related to high visibility. The more fuel efficient SUVs come standard with a capable V6 engine and all-wheel-drive, which improves handling, traction, and control in all weather conditions as well as in emergency driving situations.

Officers assigned to the uniformed Patrol Unit perform numerous duties and functions, and the patrol car has become their "office on wheels." We outfit these vehicles with the latest technology and highest quality equipment available to law enforcement to support the Officers in their mission. This includes laptop computers on which officers can communicate and receive calls for service from our Emergency Dispatch Center, make various inquiries, write reports, and complete citations. All patrol vehicles are equipped with speed radar units, lethal- and less-than-lethal support tools, crash investigation equipment, first-aid kits, fire extinguishers, high-visibility traffic vests, and traffic flares. Each patrol vehicle is equipped with an in-car video/audio recording system, personnel protective equipment, and prisoner safety barriers. Beyond the standard police automobile, our agency employs special vehicles for particular duties. Our Mobile Command Unit (below center) is used as command post at all major events, police actions, and crime scenes. Our military-spec Humvee (below right) was acquired to be employed during major snowfalls, floods, and other natural or manmade disasters. Also, the Humvee is used at many of our community events to promote positive interactions with our residents. Lastly, our specifically outfitted K9 vehicle, which is in it's second year of use and solely designed for everyday K9 activity, is operated exclusively by Officer Don (certified K9 officer) and his partner Scar.

INVESTIGATIONS UNIT MAJOR CASE ACTIVITY

- ◆ Death Investigations – 9 death investigations were conducted by detectives.
- ◆ Missing person – A Rolling Meadows resident went missing in August of 2018. The subject had multiple rental properties in Chicago and his family advised he was last seen going to collect rent. The subject’s family advised it was very unusual for the subject not to return home each night. Detectives gathered video surveillance from a bank in Chicago which showed the subject completing several transactions on the day he went missing. Working in conjunction with the Chicago Police Department, the subjects vehicle was located, multiple neighborhood canvasses and K9 searches were conducted. Information gathered as the investigation progressed led Rolling Meadows detectives to execute 17 search warrants. After two months of investigation, the missing subject was located deceased near one of his rental properties. The Chicago Police Department continued the investigation which resulted in the arrest of two individuals for first degree murder.
- ◆ Structure Fire – A single family residence in the 3700 block of Meadow Drive caught fire in April. The fire claimed the life of one resident. The fire was accidental, most likely caused by smoking.
- ◆ Aggravated Discharge of Weapon/Habitual Offender – A gang related shooting took place in August in the 2300 block of Algonquin Parkway. Patrol officers were dispatched to the area for a report of shots fired. Upon arrival, officers observed several known gang members in the area. After reviewing surveillance footage, one subject that was still in the area was captured on video shooting at a rival gang member. This subject was taken into custody and charged with aggravated discharge of a weapon and being a habitual offender due to having prior convictions for violent crimes. The second subject was identified by piecing together all available video from each squad that patrolled the parkway area earlier in the day and retrieving license plates from area red light cameras. The second subject was taken into custody where he resides in Woodstock and also charged with aggravated discharge of a weapon.
- ◆ Aggravated Discharge of Weapon/Impersonating a Police Officer – A subject shot at and struck a moving vehicle in July near the 4400 block of Euclid Avenue. Several days earlier the same subject impersonated a police officer at a local retail establishment and displayed a pistol to the store clerk before leaving. A flyer with a photograph of the offender was sent to local area law enforcement agencies. The subject then committed a burglary to a vehicle in Palatine. Unbeknownst to him, the subject left a pistol in the burglarized vehicle. A trace of the weapon revealed the subject’s identity. The subject responded to the Palatine Police Department and was recognized by the police as the subject in the Rolling Meadows flyer. The subject was taken into custody. The subject had numerous loaded pistols and rifles in his vehicle when he was arrested.
- ◆ Barricaded Subject – A co-worker called the police to check on a subject due to the fact that the subject did not report to work and he had texted a friend telling him he wanted to end his life. The caller advised the subject was a heavy drinker and could be violent at times. Officers responded to the scene and attempted multiple times to contact the subject. The officers learned the subject had recently pointed a shotgun at a maintenance man working on the property. The building was evacuated and the Northern Illinois Police Alarm System (NIPAS) team was called and responded to the scene. The subject eventually exited his apartment and was transported to the hospital.
- ◆ Bank Robbery – A bank robbery occurred in December in the 1600 block of Algonquin Road. The subject entered the bank with a gun in his coat pocket carrying one piece of luggage. After waiting for all the customers to leave, the subject announced to the two tellers that they were being robbed. The tellers were escorted to a back room and duct taped to chairs. The subject emptied the vault and stole approximately one hundred and fifty thousand dollars. The subject then fled on foot. After extensive investigation of surveillance cameras in the surrounding area the subject’s vehicle was identified. The subject was then identified and this information was provided to the FBI. The subject was located and arrested several days later in New York in a different vehicle.

MCAT 2018 ACTIVATION SUMMARIES

18-01-0129: On 01/29/18, the Park Ridge Police Department requested the STAR team to assist with a fatal motor vehicle crash at Touhy Avenue at Chester Avenue. During the course of this activation, MCAT provided approximately 30.50 hours of support to the Park Ridge Police Department.

18-02-0204: On 02/04/18, the South Barrington Police Department requested the STAR team to assist with a fatal motor vehicle crash on Route 59 near Bartlett Road. During the course of this activation, MCAT provided approximately 23.00 hours of support to the South Barrington Police Department.

18-03-0216: On 02/16/18, the Mount Prospect Police Department requested the MCAT Investigators, Forensics, and Surveillance teams to assist with a homicide investigation. The deceased victim was found in a vehicle which had been set on fire. The Cook County Medical Examiner's Office conducted an autopsy and ruled the death a homicide by multiple gunshots. The investigation revealed the victim was involved in a drug deal with the offender at another location in Mount Prospect. The offender shot the victim and relocated the victim's vehicle with the victim inside to a parking lot where the vehicle was set on fire. The offender was arrested and charged with First Degree Murder and Unlawful Concealment of a Homicide. During the course of this activation, MCAT provided approximately 1,808.00 hours of support to the Mount Prospect Police Department over five days.

18-04-0311: On 03/11/18, the Schaumburg Police Department requested the STAR team to assist with a fatal motor vehicle crash at Wiley Road and Tower Road. During the course of this activation, MCAT provided approximately 28.00 hours of support to the Schaumburg Police Department.

18-05-0408: On 04/08/18, the Bartlett Police Department requested the STAR team to assist with a motor vehicle crash at Route 59 and Auburn Lane. During the course of this activation, MCAT provided approximately 17.00 hours of support to the Bartlett Police Department.

18-06-0408: On 04/08/18, the Bartlett Police Department requested the STAR team to assist with a multiple fatal motor vehicle crash on Route 20 west of Route 59. During the course of this activation, MCAT provided approximately 62.75 hours of support to the Bartlett Police Department.

18-07-0417: On 04/17/18, the Rosemont Police Department requested the Surveillance team to assist with an Aggravated Arson investigation. The offender was seen on CCTV cameras enter a bathroom and set it on fire at the Donald E. Stephens Convention Center during a political rally. The offender was seen fleeing the scene in a vehicle which was identified by its registration. Surveillance was established on the vehicle owner's address. During the investigation, the FBI took over the case and pursued the matter as a federal crime. During the course of this activation, MCAT provided approximately 148.00 hours of support to the Rosemont Police Department over two days.

MCAT 2018 ACTIVATION SUMMARIES

18-08-0422: On 04/22/18, the Wheeling Police Department requested the MCAT Investigators and Forensic teams to assist with an Attempted Homicide investigation. The victim and the offender engaged in a verbal dispute at a party that escalated into a physical altercation. During the fight, the offender pulled out a knife, stabbed the victim in the head, and fled the scene on foot. The victim was transported to Good Shepard Hospital where he died a week later from his injuries. The offender was apprehended, however the Cook County States Attorney's Office ruled the incident as self-defense. The offender was released without charges. During the course of the activation, MCAT provided approximately 656.25 hours of support to the Wheeling Police Department over two days.

18-09-0516: On 05/16/18, the Streamwood Police Department requested the STAR team to assist with a fatal motor vehicle crash at Schaumburg Road and Green Meadows Road. During the course of the activation, MCAT provided approximately 32.25 hours of support to the Streamwood Police Department.

18-10-0524: On 05/24/18, the Streamwood Police Department requested the STAR team to assist with a fatal motor vehicle crash at 201 E. Schaumburg Road. During the course of this activation, MCAT provided approximately 18.25 hours of support to the Streamwood Police Department.

18-11-0620: On 06/20/18, the Harwood Heights Police Department requested MCAT Investigators to assist with a death investigation. The victim was found lying in the street unresponsive with severe head trauma to his face and rear of his head. He later died at the hospital and an autopsy determined blunt force trauma as the cause of death. During the course of the investigation, it would be determined the victim was struck by a vehicle which fled the scene. During the course of this activation, MCAT provided 217.00 hours of support to the Harwood Heights Police Department over two days.

MUTUAL AID

ILEAS/NIPAS: The Police Department participates in a number of mutual aid programs in order to provide and receive a cooperative, effective response to any type of incident. As a member of the Northern Illinois Police Alarm System (NIPAS), the Department is eligible for assistance for general work force requests, hostage and barricaded subject incidents, as well as civil disorder. NIPAS provides the following three types of mutual aid responses:

General Mutual Aid Response: NIPAS provides a systematic method of receiving assistance in the face of an emergency. The plan requires predetermined staging areas for responding Officers. An option of ten different levels provides a response of five to fifty uniformed Officers in marked squad cars. The plan is further designed to allow the response of Officers without depleting the staffing levels of responding agencies.

Emergency Services Team: Formed in 1987, the Emergency Services Team (EST) is designed to provide a professional, trained response to a variety of high-risk incidents, including hostage or barricaded subject situations, terrorist incidents, disaster situations, high-risk warrant service, and other assignments. While often referred to as a "SWAT team," it is available for a wider variety of assignments than a conventional one. The availability of EST services to a NIPAS community requires the assignment of an Officer to the team with 24-hour availability. The team trains on a monthly basis, which involves practical exercises conducted by professionals in this area of expertise.

Mobile Field Force: The Mobile Field Force provides a rapid, organized, and disciplined response to civil disorder, crowd control and other tactical situations. It consists of a platoon of uniformed police Officers led by a Field Force leader.

Generally, it consists of four to eight squads of Officers and may be supplemented by specialized Units, such as EST, K-9, and Aviation. The Mobile Field Force team is available to participating members. Participation requires the assignment of an Officer to the team with 24-hour availability.

NIPAS

Member Agencies/Services They Receive

NIPAS Basic Members have the option of participating in the Emergency Services Team and/or Mobile Field Force for an additional assessment and placing an officer on the team.

ADMINISTRATIVE DIVISION

The Administrative Division's mission is to provide technical support and resources to the Operations Division through a variety of means. The members of this Division are responsible for numerous tasks, which includes:

- ◇ Preparing and monitoring the Department budget
- ◇ Training all sworn and civilian police employees
- ◇ Working with the Board of Fire and Police Commission regarding police personnel issues (hiring, promoting, etc.)
- ◇ Coordinating of mutual aid agreements with other agencies
- ◇ Preparing and maintaining policies and procedures
- ◇ Managing and maintaining police records
- ◇ All community programs (safety, education, prevention)
- ◇ Desk operations
- ◇ Scheduling, organizing and coordinating all police related community events

Homeland Security

Some communities and law enforcement agencies face a significantly greater terrorist threat than others do. Moreover, while most communities may not have previous involvement in a terrorist act, the potential is always there. It is incumbent that law enforcement agencies establish a level of planning and actions that address a proactive response to terrorism. A comprehensive approach to incident management, applicable at all jurisdictional levels and across functional disciplines has been created through the City of Rolling Meadows Emergency Operations Plan (EOP). The Police Department is responsible for reviewing applicable portions of the EOP that deal with Police operations and terrorism. The Department of Homeland Security has also participated in our NNO event and has supplied our department with temporary equipment needs as requested.

DESK OPERATIONS

The Rolling Meadows Police Department Desk Operations continued to maintain 24-hour coverage with the combination of CSO's, Police Assistants, Crossing Guards, Interns, Volunteers, and Patrol Officers. Desk Officers handle incoming non-emergency calls, walk-in citizen reports, tow releases, records duties, and a variety of other support functions. Those who work the desk often have the responsibility of providing assistance to residents and non-residents who seek immediate police assistance for countless issues. Our desk personnel's ability to calmly and successfully resolve these issues, or provide those in need with the appropriate contact or resource for resolution is vital to our mission of providing the highest standard of police service to the Rolling Meadows community.

CITIZEN'S POLICE ACADEMY CLASS

VOLUNTEERS

The demands on local law enforcement have increased dramatically over the past several years. Consequently, the already limited resources of our agency are being stretched further than ever at a time when the community needs every available officer out on the beat. In many

jurisdictions around the country, volunteers in the community have offered their time and skills to their local police department. These citizen volunteers help supplement and support officers and civilian personnel by allowing them to concentrate on their primary duties. Our Police Department is very fortunate to have such a committed group of selfless volunteers who kindly give their valuable time to help with a variety of tasks. We also host internships for students from accredited colleges and universities.

The Rolling Meadows Police Department volunteer program (or VIPs) has continued to support the patrol function. Volunteers have helped with handicap parking enforcement, filing of citations, desk operations, and distribution of crime alert flyers. The Police Department's Crime Stoppers Chapter is comprised of community volunteers that promoted our "Eyes & Ears" program to encourage residents and merchants to get involved in reporting suspicious activities.

COMMUNITY INVOLVEMENT

Over the decades, the Rolling Meadows Police Department reached out to the residents and merchants from our Crime Prevention, Public Relations Divisions, and Community Involvement Unit of years past. Patrol Unit Officers continue to embrace the role of problem-solvers, in addition to their traditional law enforcement duties. They have helped to maintain the Department's strong relationship with the business community, residents,

local schools and other police agencies. Every Patrol Officer has an area of responsibility and they communicate regularly with representatives of each area to share information. Representatives include multi-family community managers, business owners and managers, homeowners' association board members, park district staff, and school principals and security staff. A handful of officers have received special training in a program called Crime Prevention Through Environmental Design (CPTED). This program's basic premise is the proper design and the effective use of a physical environment to reduce the incidence of criminal activity and fear of crime. Thereby improving the quality of life for those who utilize it.

In addition to the collaborative effort shared by the officers mentioned above, The Rolling Meadows Police Department also has Officer Carlos Saez who is dedicated full time to Crime Free Multi Housing, Crime Prevention, Community Involvement, Community Police Sponsored Events and Community Relations.

Crime Free Multi Housing: The purpose of this program is to keep criminal and other nuisance activity away from residential properties by working with community leaders and property owners/managers.

Crime prevention: Crime prevention is a pattern of attitudes and behaviors directed at reducing the threat of crime and enhancing the sense of safety and security. Crime prevention also positively influences quality of life in our society and develops environments where crime cannot flourish. Due to these efforts by Officer Saez, as well as those made by each officer within the Rolling Meadows Police Department, we have seen a reduction in crime of approximately 15% compared to 2017.

Community Relations/Community Involvement:

The Community relations/involvement officer attends speaking engagements, provides safety information to the community, coordinates community events, develops and maintains communication between our residents and the department, arranges neighborhood meetings, creates law enforcement alerts and acts as the citizen's liaison in numerous matters.

COMMUNITY INVOLVEMENT

Officer Saez has numerous tasks which include but are not limited to the following:

- ◇ Create and update crime free seminar presentations and present contents in a 4-hour seminar to all property owners and agents.
- ◇ Manage crime free database of all attendees of the crime free seminars.
- ◇ Manage Trespass Program which includes data entry, creation of program procedures and transfer of information into the Crime free database.
- ◇ Manage reciprocity training requests for prior seminar attendance at other jurisdictions.
- ◇ Monitor both criminal and nuisance activity at residential, hotel and motel properties.
- ◇ Serve notifications to property owners and managers relating to incidents that occur on their properties and make recommendations to alter or eliminate behavior.
- ◇ Meet monthly with property owners to address concerns and issues.
- ◇ Inspect properties for quality of life issues such as abandoned vehicles, vehicles in disrepair and safety/security concerns.
- ◇ Assists in family Services Day (yearly event).
- ◇ Assists in summer camps designed to educate the youth of our community.
- ◇ Participates in Wellness fairs.
- ◇ Coordinates the public safety car show.
- ◇ Assists/coordinates the annual Bike the Night event.
- ◇ Assists/coordinates the national Night Out event.
- ◇ Attends Crime-stoppers meetings
- ◇ Assists/coordinates the annual Christmas Shop with a Cop event.

Furthermore, Officer Saez is very active and involved with assisting the senior citizens of our community. He has identified areas of crime that seniors are most vulnerable to and has reached out to them to educate and inform them regarding the following issues:

- ◆ Fraud and identity theft
- ◆ Personal safety
- ◆ Financial exploitation
- ◆ Victimization prevention
- ◆ Diversion and ruse prevention
- ◆ Elderly abuse

Also, Officer Saez is the coordinator and creator of the senior TRIAD meetings. In this program, the managers are given training and advice on how to avoid potential problem tenants, how to identify and address developing problems, and how to evict problem tenants legally using civil law rather than criminal law. In addition, a CPTED evaluation is performed on the property along with suggestions on

how to improve safety and deter crime. Lastly, a safety social is hosted by the managers and Police Officer in an effort to provide information to residents, to demonstrate the good relationship the Department has with management and residents, and to provide a point of contact for questions and concerns. Finally, the Crime Free Officer and Social Outreach Specialist corroborate closely with all Stakeholders regarding community issues such as domestic and community violence and other social issues in order to better serve the needs of the residents of Rolling Meadows.

SOCIAL SERVICES

The Social Services Outreach Program is a professionally staffed section of the Rolling Meadows Police Department. It is our goal to enhance the quality of life through empowerment, coordination of resources, and promotions of education and health among all residents of the City of Rolling Meadows. Our outreach program is coordinated and maintained by outreach specialist Natalia Nieves. During this past calendar year, our department hired Marisol Lebron as a records clerk. Fortunately for our residents, Marisol also holds a Master's Degree in Social Work. The addition of Marisol allows her to assist Mrs. Nieves and/or spell relief when needed. Marisol is a valuable addition to our outreach efforts. Services offered by the Police Social Services Outreach Specialist Natalia Nieves are as follows:

- **Crisis Intervention:** Emergency care aimed at assisting individuals in a variety of crisis situations that may occur within the City of Rolling Meadows.
- **Court Advocacy:** Assistance is provided to victims of crimes. The social outreach specialist is a trained advocate available to provide advocacy and support related to the court system and the prosecution process, and appraising them of their rights. During this past year, Mrs. Nieves assisted over 100 families in this capacity.
- **Community Education:** Weekly discussions are offered to citizens of the City of Rolling Meadows that pertain to educational and community concerns. This is especially important in the Latino community, who have voiced their concern for the improvement of the relationship between police and ethnic minority residents.
- **Child Abuse and Neglect:** Development and implementation of prevention for child abuse and neglect through raising awareness among the community, partnering with outside resources who specialize in prevention and intervention amongst child abuse and neglect.
- **Crime Prevention:** Education based approach utilizing public awareness to reduce the crime risk within the City of Rolling Meadows.
- **Crime Victim Compensation:** Making sure that eligible crime victims are connected with the compensation that the Attorney General reserves for victims of crime and their families for expenses accrued as a result of a violent crime.
- **Domestic Violence:** Intervention services including obtaining orders of protection, referral for emergency safe housing, legal advocacy, transportation to court and shelter/safe place when needed.
- **Emergency Assistance:** Immediate assistance is provided for families and individuals in crisis situations of varying nature. Some financial assistance is also available through outside emergency funds that Ms. Nieves can assist residents in applying for.
- **Referrals to Supportive Services:** Provides assistance, advocacy, and available information to specialized organizations.
- **Senior Citizen Issues:** Referrals are properly made to local organizations that specialize in providing assistance to older adults. Natalia contributes to the Rolling Meadows Senior Newsletter in a section titled: Rolling Meadows Police Department—Social Services Corner
- **Short-Term Counseling:** Crisis Intervention based counseling services are provided to individuals in a crisis situation.

SOCIAL SERVICES

In addition to the above mentioned duties and services which help define our Police Social Services Outreach Program, Mrs. Nieves has coordinated and initiated many extremely important tasks. Specifically, they are as follows:

- ◆ Ms. Nieves outreached to over 150 domestic violence victims, assisted with both civil and criminal orders of protection, and has connected them with emergency and transitional housing, as well as other basic needs such as food, medical care, and clothing.
- ◆ Ms. Nieves planned and organized our 3rd annual Shop-with-a-Rolling Meadows-Cop event. In collaboration with Meijer, and new participant Walmart, over 20 police officers and staff volunteered their time to outreach to over 100 children this past holiday season on two separate event days.

- ◆ Our Police Social Service Outreach Specialist offered over 500 free case management hours via the student internship program that she launched and managed.
- ◆ Mrs. Nieves is an approved Salvation Army volunteer and can directly apply for emergency financial assistance to families and individuals in need of a one-time help with paying rent or utility bills. This year alone, she prevented homelessness, and electricity shut-offs for over 20 women, children, elderly, and persons struggling with illnesses.
- ◆ Mrs. Nieves established and met weekly with a group of community members of the East Park and Coach Light community (known as The Woman Leaders of Rolling Meadows) where they discussed issues related to crime prevention in their community. The group has evolved and are now in the process of establishing a Community Block Watch program in their community, with the goal of enhancing police and community relationships via building trust and accountability.
- ◆ Our Police Social Services Outreach Specialist assisted the detectives' bureau with the criminal investigation of sexual crimes against children. She also provided both legal and court advocacy and support. She has explained the criminal justice system, attended court dates and medical exams, and connected the non-offending parents with necessary counseling and social service resources to facilitate their healing.
- ◆ Mrs. Nieves has fostered and maintained communication with the Department of Children and Family Services, as well as Adult Protective Services. In 2018, she made over 20 reports to the child abuse and neglect hotline as well as reported elder abuse to adult protective services.
- ◆ Our Police Social Services Outreach Specialist has maintained collaborative relationships with the WINGS Shelter/Safe House, and has used their free emergency housing services and counseling services for over 50 women.

SOCIAL SERVICES

- ◆ Mrs. Nieves also partnered with Nature's Care and with their assistance has received additional funding to combat drug abuse and provide drug abuse education as well.
- ◆ Mrs. Nieves planned and executed three youth summer camps this past year; East Park and Woodfield Crossing. She also fundraised for the program and formed partnerships with the community for sponsors. Our summer camps outreached over 100 children in 2018 which included a soccer camp.
- ◆ Our Police Social Services Outreach Specialist took steps to preserve and strengthen our Police Department's relationships with various church, schools, and agency directors via engaging in meetings with key leaders and establishing her presence in the social service professional arena. She belongs to the Northwest Alliance against Domestic Violence with Representative Michelle Mussman. Additional participants include the Third District Domestic Violence Court Committee which is composed of those judges assigned to the domestic violence court. She attends meetings and events in the professional community on a monthly basis.
- ◆ Mrs. Nieves has been responsible for implementing the Drug and Alcohol Outreach Program in collaboration with nature's Care. She has also been in charge of maintaining records and making connections with the professional community and the public regarding the program. She has been connecting with service providers, meeting with potential program participants, screening them for appropriateness, and making necessary referrals for them to receive treatment.
- ◆ Our Police Social Services Outreach Specialist has planned and executed multiple Health and Wellness Fairs for the East Park and Woodfield Crossing Community, where the residents of Rolling Meadows have been able to receive free flu shots, as well as information about physical and mental health resources, as well as domestic violence and child sexual abuse information in both English and Spanish.
- ◆ Mrs. Nieves organized an outreach event for the Latino community around Mother's Day and also coordinated a holiday party and made it a community resource fair with participants from the various social service, health, education, and legal services offering information and ways to access resources.
- ◆ In response to the needs of the Spanish-speaking residents, Mrs. Nieves hosted a series of monthly meetings with an immigration attorney who offered free consultations to the residents of Rolling Meadows. The same attorney also hosted an immigration workshop regarding immigrant issues as well as pathways to citizenship.
- ◆ Mrs. Nieves also partnered with Nature's Care and with their assistance has received additional funding to combat drug abuse and provide drug abuse education as well.

SCHOOL RESOURCE OFFICERS

As part of an agreement with the School Districts, the Department assigns a Patrol Officer to both the grade schools and junior high schools (Officer Mike Courtney, pictured left) as well as a Detective to the Rolling Meadows High School (newly appointed Detective Lisa Lamz, pictured right). It is their job to build a strong rapport with the students and to make themselves available each school day to the student body. Both officers and detectives continually work with the principals and staff at the schools to ensure that students and staff alike have a safe and secure learning environment. Part of the School Resource Officers' function is to provide counseling and education services to students; including gang and drug awareness. Additionally, they will take law enforcement actions whenever necessary and appropriate.

OFFICER COURTNEY

DETECTIVE LAMZ

POLICE HONOR GUARD

In 2018, our agency's Honor Guard trained in ceremonial duties such as parades, funeral details, and the presentation of our national colors. Presentations this past year included our Memorial Day remembrance as well as veteran dinners.

BOARD OF FIRE AND POLICE COMMISSIONERS

The Board of Fire and Police Commissioners (BFPC) of the City of Rolling Meadows, consists of three members. Each member is appointed by the Mayor with the consent of the City Council. The Board derives its authority from the Illinois Municipal Code (Board of Fire and Police Commissioners Act), Illinois Compiled Statutes ((Illinois Compiled Statutes, Ch. 65, Sections 5/10-2.1-5 through 65 ILCS 5/10-2.1-6.3 inclusive), and from City of Rolling Meadows Ordinances.

The responsibilities of the BFPC are as follows:

- To recruit, select and appoint qualified candidates to fill vacancies for original appointment of Police Officer and Firefighter/Paramedic.
- To determine testing and selection processes that allow qualified employees to participate in the promotional process for the position of Sergeant in the Police Department.
- To conduct disciplinary hearings or appeals of disciplinary action in the Fire and Police Department.

The current Commission is comprised of Ted Loesch, Tom Callard and Dave Walter.

TRAINING

Employee training is considered one of the most important responsibilities in a law enforcement agency. Police agencies are held legally accountable for the actions of their personnel and are responsible for providing initial and remedial training. Police training serves three general purposes:

- ◆ It results in greater effectiveness, preparedness, and productivity
- ◆ It fosters cooperation and unity of purpose
- ◆ It reduces liability exposure to the Officers, the Department, and the City

The training program of the Rolling Meadows Police Department addresses the needs of the agency and the community. It is directed toward the Department's mission, values, goals, and objectives. It is designed to enhance the professional development of our personnel through the integration of academic and technical training along with preparing officers for succession in the ranks. Consequently, proper and timely training reduces exposure of the Department and the City to civil and criminal liability. Throughout the entire career of a Rolling Meadows Police Officer, training is offered to develop skills, enhance officer safety, and protect our citizens.

One of the goals of the Rolling Meadows Police Department is to provide training for our officers that are current, applicable, and diverse. Among the ways we accomplish this is to provide reviews of policy, case law, local ordinances, and state and federal statute, much of this is performed as daily and monthly training bulletins in which officers review a written scenario and then choose the correct response. Another form of training that we provide is in-service training in which the trainers are either contracted certified individuals or our officers with advanced training and/or certifications. They conduct classroom sessions on topics such as medical tactics for patrol, rapid response to active shooters, and school violence response. In addition, officers attend various types of training at off-site locations provided by North East Multi-Regional Training (NEMRT), which is one of 17 Mobile Teams of the Illinois ASSIST Program.

COMMUNITY BIKE RIDE

On Saturday, August 4, 2018, the Rolling Meadows Police Department and 110 community bike riders took to the trails and participated in a community ride through the various parks within Rolling Meadows. The community bike ride was held as an event leading up to National Night Out. Hosted by the police department, the residents were treated to a BMX bike stunt show. This was a new twist to this year's event as Tammy Town was unavailable. The program was approximately 30 minutes in length and involved trick riding and severe ramp jumps.

COFFEE WITH A COP

Coffee with a Cop provides a “name to a face” for both the officer and the citizen and allows each to form a working sense of trust by understanding the mutual goals they both have - A better community for all of us! Coffee with a Cop provides “distraction free” time with an officer, no pending radio calls or cell phones going off, just good communication over a cup of coffee provided FREE to anyone who wished to partake in a casual conversation with us.

NATIONAL NIGHT OUT

National Night Out (NNO) is an annual event meant to improve Police-Community relations. The event is held on the first Tuesday in August throughout the United States. The event is coordinated by the National Association of Town Watch. National Night Out started in 1983 and has grown annually. Rolling Meadows first participated in NNO 2013 and has participated every year since. On Tuesday, August 7th, 2018 the Rolling Meadows Police Department joined more than 16,000 other communities from all over the United States to celebrate National Night Out, America's Night Out Against Crime. The event promoted involvement in crime prevention activities, police-community partnerships and neighborhood camaraderie.

Through the Police Department's encouragement and promotion, approximately 3500 residents came out and showed their community spirit while at the same time networked with members of the police department. This year's event was threatened by a severe thunderstorm that rolled thru the area several hours prior to the event. However, that did not dampen the spirits of those who attended. The Rolling Meadows Public Works Department did a tremendous job removing water from the flooded parking lot. Without their assistance, the event may have been cancelled. For the many that were there at the start, they were treated to the spectacle of 4 skydivers that plummeted more than 5, 000 feet from the sky to their landing spot on the NNO logo (center of soccer field). The Chicago Cubs Wayne Messmer opened the night by singing the National Anthem to all attendees and participants.

NATIONAL NIGHT OUT

The Rolling Meadows Park District, along with members of the Rolling Meadows business community, has supported the Police Department's National Night Out event by sponsoring entertainment which included:

- ◆ Stunt dog productions show (two separate performances)
- ◆ Exotic animal show
- ◆ Battle between the Knights of Medieval Times
- ◆ Performance by the XPOGO extreme stunt show
- ◆ Magnificent display of police K-9 activities performed by our very own K-9 Scar and his partner Officer Chris Don
- ◆ Narration and hosting of a professional Emcee
- ◆ Video gaming truck
- ◆ Many other attractions.

Some of our local restaurants provided food and we had two very successful free raffles for attendees. The Rolling Meadow's Fire Department, Public Works and local businesses all participated and helped make National Night Out a true community-wide success.

NATIONAL PRESCRIPTION DRUG TAKE-BACK

On October 27th, 2018, The Rolling Meadows Police Department and the Drug Enforcement Administration hosted a National Prescription Drug Take-Back Day event where people could drop off medications and safely dispose of old and unused prescription medications. This is the 9th annual campaign since its inception in 2010 and the 16th event held. Citizens continue to turn in more and more unused prescriptions at these events each year. A total of 4,774 state, local and tribal law enforcement partners (nearly 500 more agencies than last year) collected over 914,236 pounds of unwanted medicines (approximately 457.12 tons). Illinois collected 36,896 pounds (18.44 tons). Illinois sponsored 188 collection sites while nationally there was 5,839 sites (over 350 more collection sites than last year).

The National Prescription Drug Take-Back addresses a vital public safety and public health issue. Many Americans are not aware that medicines that languish in home cabinets are highly susceptible to diversion, misuse, and abuse. The majority of prescription drug abusers report that they get their drugs from friends and family. Commonly abused prescription drugs are opioid painkillers that accounted for a very large number of overdoses. 8 of 10 heroin users surveyed indicated they began by abusing prescription drugs and eventually moved to heroin when they could no longer obtain or afford those painkillers. Rates of prescription drug abuse in the U.S. are at alarming rates, as are the number of accidental poisonings and overdoses due to these drugs. In addition, many Americans do not know how to properly dispose of their unused medicine, often flushing them down the toilet or throwing them away – both potential safety and health hazards.

Since its inception in 2010, 10,878,950 pounds (5439.5 tons) have subsequently been safely collected and appropriately disposed.

SECOND CHANCE-HEROIN AMNESTY PROGRAM

Rolling Meadows police officers are in a unique position to offer help to those who need it by partnering with a local heroin intervention program. The Rolling Meadows Police Department adopted a “Second Chance” policy, effective October 1, 2015, to address the needs of any Rolling Meadows resident who comes into the Rolling Meadows Police Department requesting help with their opiate addiction.

The program was advertised through mainstream and social media outlets announcing the ability for heroin users who are residents of the City of Rolling Meadows that are seeking recovery to come to the police station and turn in their heroin and paraphernalia to receive free treatment without any legal ramifications. Participants must be 18 years or older, unless an exception is approved by the department outreach worker, Chief of Police, and the juvenile’s parent/guardian.

Once an individual comes forward and seeks assistance through the Second Chance Program, they are introduced to Natalia Nieves who is the Rolling Meadows Police Department’s Social Services Outreach Specialist. She conducts an interview with the person in need and makes certain that the appropriate resources are secured based on each individual case.

Participant’s drugs and or paraphernalia are disposed of accordingly through departmental disposal policy.

POLICE DEPARTMENT'S WEBSITE

The Rolling Meadows Police Department maintains its portion of the city's website in an effort to continue the excellent communication that we have with our residents and visitors. The police department's website is an informative tool for the user. The FAQ section addresses common questions that are usually asked of us, along with informative links. The police department also created forms for visitors to be able to download as well as online forms to file a police report that met certain criteria.

We regularly update our site with the latest police blotters and crime prevention information. In addition, more information on crime free multi housing can be found on the attached [link](#) or you can register online for a class. The site also has information on our social services programs. Anyone can visit our site by going to www.cityrm.org and clicking the police department link under the "Government" tab, or go to <http://www.cityrm.org/207/Police-Department> which is the direct link to the police department's website page. Below is a picture of the homepage of the police department's website.

SOCIAL MEDIA

The police department continues to be informative with our residents and visitors using social media. We strive to find ways to keep the citizens of Rolling Meadows and its visitors informed of department and City events or emergencies, and to also engage the residents with this form of technology. We continue to show our residents and visitors a more approachable side of the police department and what we strive to accomplish in the community using our social media program, and ongoing involvement within the community. We use social media platforms such as Facebook, Twitter, YouTube, and Instagram to accomplish this goal.

By accomplishing this goal through social media the police department wishes to be able to disseminate the following information quickly and efficiently to keep the public informed:

- ◆ Road closures
- ◆ Emergency incidents
- ◆ Weather alerts
- ◆ Amber alerts
- ◆ Community warnings
- ◆ Police wanted assistance
- ◆ Community events

The police department continues to be successful in the use of the social media accounts that we maintain. By using these accounts and keeping our residents and visitors updated on events within the city and police department we have found that the use of social media tools is effective and a great way to communicate to our residents when they seek information quickly. In the Final Report of the President’s Task Force on 21st Century Policing it is stated “They should also address issues surrounding the use of news and social media, encouraging the use of social media as a means of community interaction and relationship building, which can result in stronger law enforcement.” We believe that we have met this goal of the President’s Report with our social media program. In order to avoid fraud and let a user know that they are on the actual department social media account, the Police Department has all our social media accounts verified through Facebook and Twitter. The user will know they are on the department’s social media sites of Twitter and Facebook by seeing the checkmarks next to the department name which is how one knows the site is the official page of the police department.

SOCIAL MEDIA

Rolling Meadows Police is on Nextdoor, the private social network for neighborhoods.

Illinois / Rolling Meadows / Rolling Meadows Public Agencies / Rolling Meadows Police

As part of our commitment to the residents to engage in these social media platforms the police department has also joined Nextdoor.com, which is essentially a virtual neighborhood watch. Only Rolling Meadows residents can join Nextdoor by confirming their residence through an address verification indicating that they are in fact a Rolling Meadows resident by going to this link <https://nextdoor.com/agency/rolling-meadows-police/?i=rjbkgfrvjyvdegbuspea>.

The police department feels this tool allows neighbors to speak to each other through social media and is a great way to send specific targeted information to certain neighborhoods. For example, if there is a rash of car burglaries in a certain neighborhood, using the Nextdoor platform allows the residents in this neighborhood to learn of this information and they are encouraged to call the police or share any information they might have by sending photos, videos, or a simple message.

The current Police Department Social Media Accounts are as follows:

- ⇒ Facebook- www.facebook.com/rollingmeadowspolice
- ⇒ Twitter- @meadowspolice
- ⇒ YouTube- www.youtube.com/user/rollingmeadowspolice
- ⇒ Instagram- @RMPD
- ⇒ Nextdoor- <https://nextdoor.com/city/feed/>
- ⇒ Join Nextdoor: <https://nextdoor.com/agency/rolling-meadows-police/?i=rjbkgfrvjyvdegbuspea>
- ⇒ Residents to join Nextdoor- https://nextdoor.com/choose_address/?i=rjbkgfrvjyvdegbuspea

SOCIAL MEDIA

The police department also promotes events that encourage community and police partnerships such as our Community Bike Ride, Block Party, Family Days, Community Bike Ride, and National Night Out, just to name a few.

We again participated in Shop with a Cop by partnering with Meijer and Walmart to provide underprivileged residents in the City with a chance to make their Christmas wishes come true. We also participated in assisting a local food shelter with another food drive and continue to participate in National Drug Takeback day.

The police department committed to get residents involved with their city pride by showing off their holiday spirit and decorated homes. We again sought donations from our local businesses that wished to be involved with our contest. Papa Saverio's Pizza, and Meijer were more than happy to donate prizes to the top winners of this contest. We have found great success by interacting with the residents and continue to receive positive comments with this social media program.

In conjunction with using the Facebook Page, we also utilize a Twitter, Instagram, and the YouTube so residents and visitors can view videos from National Night Out or other beneficial videos. The police department utilizes the Twitter account to tweet live traffic incidents or other community alerts that need to be addressed immediately. Also, the Twitter account will "tweet" messages from our Facebook Page so the account is always posting information. The department also has an Instagram account and posts department photos.

Sgt. John Manfredi has been assigned to Social Media duties since 2013 and is responsible for this program along with the police department's portion of the city website. Sgt. Manfredi is always looking for different ways to engage our residents through social media and has developed a strong following of individuals through the police department's Facebook Page. Since starting this program, the Rolling Meadows Facebook Page has over 6,000 followers. Through Facebook the police department with assistance from Officer Kurt Herman and Jason Everett is consistently engaging residents about department and city events along with safety information and department accolades.

The police department is constantly looking for different social media and community opportunities to keep the citizens and visitors of Rolling Meadows informed, and at times entertained, and is consistently researching other social media options and opportunities to implement for users. Sgt. Manfredi is currently looking at different avenues of social media and is looking at ways to reach the youth in our community more through this powerful technology.
